Supervision Policy

As staff, we accept the duty of care, which devolves to us. In St. Mura's N.S., we make every effort to ensure that the children given to our care are adequately supervised. The principal is responsible for drawing up and updating the supervision rota which is on display in the staff room. During break time, one teacher and the S.N.A. supervise the yard. The teacher on yard duty remains with the classes until they have been collected by their own teacher. In the event of a planned absence, the substitute teacher supervises or, in the event of a teacher taking an EPV day, the next teacher on the rota assumes supervision duties.

The Board of Management accepts no responsibility for children before 9.00 a.m. or after 3.00p.m. Children are supervised in their classroom during lunchtime (12.30-12.40p.m.), after which they are expected to leave their classroom and go outside for the remainder of lunch time, i.e. 12.40-1.00p.m. In the event of inclement weather, the children will be supervised in their own classrooms by the teacher on duty and the S.N.A.

At 2.50p.m. the children line up in the hall in an orderly manner and leave through the exit accompanied by their teacher. Teachers ensure an orderly dismissal and that all classrooms are vacated at this time.
